

Rick Robinson
Young Harris College
Head Baseball Coach

A tradition of consistency and excellence, that is how one might describe Rick Robinson's tenure as Head Baseball Coach at Young Harris College. Robinson has led his Mountain Lions to eight conference championships, five Region XVII championships, and one NJCAA World Series appearance. He has also won 613 games in 14 years as a college head coach. 580 of those wins have come at Young Harris College.

Forty of the Coach Robinson's Young Harris College players have signed professional contracts, with five making it to the Major Leagues. Callax Crabbe, Nick Markakis, Billy Buckner, Cory Gearrin and Charlie Blackmon all began their careers @ YHC. Jimmy Gobble signed a scholarship with YHC in 2000 but was a first round pick for the Kansas City Royals and chose to sign with them rather than attend YHC.

During this 12-year period @ YHC, Robinson has fostered an environment of excellence that extends beyond the field. His players are consistently high achieving in the classroom and active in the community. It is this combination of performance on and off the field that makes his players so well equipped when finishing their playing career @ YHC.

Robinson came to YHC from NCAA Division I baseball rich Old Dominion University. As director of the camps he worked with current major league players David Wright, Mike Cuddylar, BJ and Justin Upton when they were young players in the Tide Water area of Norfolk, VA.

This camp will give you a rare, inside look at his program. He will coach you like a college player and you will be able to spend time touring the beautiful campus of Young Harris College.
