Cell Phone Policy

In order to provide the ideal camper experience, we believe in limiting the use of cell phones and other electronic devices while at camp. Use of phones is not permitted during the instructional blocks of camp, including on-field and classroom sessions. We feel this will minimize distractions to the learning environment, help maintain an inclusive atmosphere and alleviate potential problems that can detract from the overall experience for everyone. Phone use will be allowed during in the mornings prior to morning session, at lunch, and for overnight camps before and after the evening session. We will still encourage players to minimize their time on devices in order to interact and engage with other campers but understand they might want the chance to call home and text friends.
