Formal and Semi-Formal Attire Guidelines

Proms and the Winter Ball are formal and semi-formal dances; your attire should be appropriate for a Catholic high school dance.

**Women**
Dress, skirt, blouse/top, or pants outfit that is formal in nature with complementary formal shoes are required. (Note that shoes should be comfortable so they can be worn all night long. All venues require shoes for health and safety reasons.)

Your outfit:
- should be appropriate in length (not so long that you trip on it, nor shorter than mid thigh);
- should be appropriate for your age;
- can be strapless, but should fit properly, needs to be in good taste, and not be too revealing.

Your outfit should not:
- be backless, or have cutout areas, or be see-through;
- expose any midriff area;
- be so low cut as to show excessive cleavage.

**Men**
Formal or Semi-Formal attire is required. This means a tuxedo or suit with shirt, tie or button cover, dress pants, and dress shoes for formal events. For the Winter Ball, gentlemen should wear at least a dress shirt, dress pants, tie, and dress shoes.

**All**
- No visible tattoos.
- No baseball caps.
- No canes.
- No backpacks.
- Students may slip into more comfortable shoes later in the evening.

If you have any questions, please see Mr. Sazo or Ms. Kayser.

Students that are not appropriately dressed will not be admitted to the event. Students must remain appropriately attired for the duration of the event, including for any photos. These dress requirements apply to guests from other schools, so please notify your guest about our guidelines. It is your responsibility to make sure your guest is appropriately attired.
